

How to obtain a license

Instruction for <16 age group users

Disclaimer

You perform any actions regarding your Roblox account at your own risk. Please comply with the age requirements applicable in your region. We cannot provide services to users who have not reached the minimum age established by the laws of your country (13+).

Introduction

This page is dedicated to users that have reached the minimal age (13) but are unable to use our licensing centre.

Option A

Pay for the licenses using currency (RUB only). The licenses will be added manually by a staff member after payment.

— Requirements

1. Valid bank account in any Russian bank (eg. VTB, Sber)

Contact support for more information.

Option B

Ask your trusted friend who is 16+ to buy a product using the "Gift" button.

Option C

Pay for your purchase via transfer using Roblox Plus.

— Requirements

1. Roblox Plus subscription

Contact support for more information.

Option D

Get a verified account (by creating new or buying existing. Please review the platform's rules regarding account purchases in your country before proceeding).

— OAuth is available on both accounts

1. Re-link your Parcel account with new 16+ Roblox account
2. Join SGR Licensing Centre from your new account
3. Buy product
4. Link your Parcel account back

— OAuth is not available on both accounts

1. Create new Discord account (13+)
2. Link your new accounts with Parcel
3. Buy product using "Gift" button
